

Brewery Liaison Officer report. July 2018.

I now report on both breweries, The Grainstore and Bakers Dozen. Both breweries continue to thrive and win awards for their beers.

Bakers Dozen's brew Electric Landlady recently featured as a finalist in the Golden Ales category for Champion Beer of Britain at the Great British Beer Festival. Electric Landlady has won several awards over the years, especially at smaller beer festivals and to be entered for this is a tremendous achievement for Dean and Jill - the highly energetic and original Electric Landlady.

I have found that visiting one works better than email, and the other generally responds by text at the last minute! The quarterly reports have been submitted regularly. Having read some of the other reports mine do err on the side of brevity but I feel that all relevant information is there.

I apologise for forgetting to send in a report for monthly Branch meetings in advance.

I am willing to continue in this role but if anyone else would like to take it on, or to know more, I'd happily hand over!

Susan Holford
