

CAMRA MEMBERSHIP REPORT AGM 2019

1. We finished 2018 (AGM) on 194 members . Our target was 200
2. Our membership as of August 08 was 219 .This was a 13% increase
3. This compares with an approx. 2% national increase
4. This led to a branch award for services to membership
5. Let's continue to grow! Membership target of 250 by next year
 - o All we have to do is for each of us to recruit 1 new member and we will overwhelm that target
